Sir,

Adverting to the Government Order No. P. 5953-5/Pris. 98-100-2 dated the 26th May 1941 sanctioning the continuance of the temporary post of Chief Warder attached to the District Lock-up at Shimoga for a further period of one year from 22nd May 1941, I have the honour to state that the District Lock-up at Shimoga provides accommodation for about 150 prisoners. The number confined in this Lock-up is always large and in consequen there is more work for the staff than in any other District Lock-up. The Head Warder who is the only literate official on the Establishment has to attend to the correspondence, the admission and releases of prisoners, the preparation of the periodical returns, the A.C. and pay bills, the issue of ration and clothing to prisoners and the maintenance of various other registers. This is too heavy a work for a single hand. When the Head Warder takes casual leave or is ill or otherwise unfit to be on duty, his absence causes serious dislocation of work as no one else on the staff is literate enough to attend to his (Head-Warder's) work. Moreover, Shimoga is a place where notorious or dangerous criminals from the British Indian border are confined occassionally and where attempts at escape on their part are not uncommon. It is therefore necessary that in addition to the Head Warder, there should be a Chief Warder on the establishment, as in the Special Lock-up, Kolar Gold Fields.

I invite reference to the repors Nos. 113-1 dated t
20th April 1939 and 113-4 dated the 22nd May 1940 a
submitted to Government by my predecessor in Offic
and request sanction to continue the appointment in
question as a permanent measure.

I have the honour to be,

Sir,

Your most obedient servant,

Offg. Inspector-General of Prisons
